### Magazine Portfolio Guidelines

The Aveda Institute Las Vegas requests that you show us what you like in the field of Cosmetology or Esthiology. We are asking you to have a little fun and be creative!

-We want you to choose 4 to 5 pictures out of a magazine. The pictures should represent styles, make-up, nail art, etc. that you LOVE!

-These pictures need to express what you like in the field of your interest or what you would like to do with your license once you finish.

-For instance if you pick a picture of a from a magazine with red hair and cut very short. Pull this picture out of the magazine, and write on a separate sheet of paper why you love her look. You can even tell us how you want to learn the technique or affect the artist used to get that look.

-Please put all pictures and descriptions in a folder or binder.

-The last guideline really isn't one at all, JUST BE CREATIVE! Anything goes!

-Enclose your "magazine portfolio" inside with your enrollment application and other requirements
